Entered in the Postoffice at Charleroi Pa., as Second Class Matter

One of the effects of the new administration will likely be closer and more peaceful relations with Mexico. The policy of "watchful waiting," as carried out by the Wilson administration has evidently not had that pacific effect contemplated, and a new condition of affairs is about to be ushered in. Under the new dispensation an American will have some protection south of the Rio Grande, a feature sadly lacking at the present time.

Senator Harding placed Point Isabel, Texas, on the map. Very few people had ever heard of the place; now it is of international importance. Just the same Point Isabel was a strong supporter of the Republican party. Of the 65 votes cast on the second inst., 64 went for Harding and one for Cox, which would indicate that the postmaster was loyal to his party.

MEETING FOR SAFETY FIRST AT THE COYLE

A mass meeting of more than ordinary interest is being arranged for the employes of the Pittsburgh Plate Glass company, with their families, to be held in the Coyle theatre, Tuesday evening, November 16, beginning at 7 o'clock.

A fascinating movie film entitled "The House That Jack Built," has been secured for this occasion, and special musical numbers will be given by employes of the company.

There will also be an address on "The Why of Safety First" by Mr. Clarence E. Ralston, of the Equitable Life Assurance Society of New York. Mr. Ralston is a man of wide experience in his line, having been engaged in Safety First activities in the United States Navy during the late war.

The Coyle theatre has been engaged by the Pittsburgh Plate Glass employes and their families, but the general public will be admitted upon payment of the regular rate of admission.

Doors will be open at 7 o'clock, and ushers will endeavor to have every one seated comfortably. 136-t4

PROSECUTOR PAID FOR STOLEN HENS OUT OF BAIL

When Mike Mateyvich, of Ellsworth, charged with receiving stolen goods was called for trial before Judge McIlvaine on Wednesday afternoon, he failed to put in an appearance and his cash bail of $300 was directed to be forfeited. Mike was accused of receiving eight chickens and two ducks, valued at $24, which had been stolen from John Yuntch, also of Ellsworth. The private prosecutor was in court ready to put in his case. He was more than pleased when the court ordered the bail forfeited and he be given $24, the value which he placed upon the stolen property.

In European countries the masses long ago, reacted against their war governments on account of war taxes high prices and other unavoidable afflictions. In this country the same thing was delayed only because we change our government machinery at regular intervals.

JUST GOT OVER A COLD?

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what a Charleroi woman says:

Mrs J. Seddon, 732 Followfield Ave., says: "I think a cold that settled in my back is what caused my kidney trouble some time ago. My back ached a great deal and I felt all run down and had little life. My head ached, too and I was nervous. My kidneys didn't act right either, and I also became dizzy at times. I purchased a box of Doan's Kidney Pills and they certainly helped me. My back soon felt strong again and my kidneys were regulated. Doan's entirely cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pill—the same that Mrs. Seddon had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

THE CHARLEROI MAIL

VOLUME XXI—NO. 139 CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, TUESDAY, NOVEMBER 16, 1920 TWO CENTS

TO PUBLISH LEGAL JOURNAL FOR WASHINGTON COUNTY

Will Be An Official Publication For The Court And Attorneys

IS DESIGNATED LEGAL PAPER

Washington county now has a legal journal which goes under the title of the "Washington County Reports," and by new rule of the court just handed down, this will be the official publication of the Washington county bar in the future. It will be issued weekly, and will be to the county attorneys what the "Pittsburg Legal Journal" is to the bar of Allegheny county. It will be published every Friday, is a purely legal journal and contains advance sheets of the decisions of the judges of the 27th judicial district of Pennsylvania, as well as of other districts of the state, and the official legal notices and advertisements required by law of the several courts of Washington county.

The Act of Assembly passed in 1917 provided that counties having 150,000 population or more must publish every notice or advertisement required by law in one or more newspapers of general circulation, unless dispensed with by special order of court, shall be published in the legal newspaper, issued at least weekly, designed by the rules of court for the publication of legal notices, if such legal newspaper exists. "The Washington County Reports" has just been established as the legal newspaper of Washington county.

The certificate of the director of the Census Bureau has just been received, which gives the official population of Washington county as 188,992. Acting on this, the court has made an order by which the "Washington County Reports" is designated as the official legal publication of Washington county, wherein shall be published all such legal advertisements as are required to be published by law. The rule goes into effect in ten days.

AUTO DAMAGED IN A SUNDAY CRASH

In an automobile accident which occurred Sunday afternoon about 4:15 o'clock at the corner of Fifth street and Crest avenue, the Buick touring car of Dr. Hetrick was damaged when it was run into by a big Marmon car driven by Lewis Phillipi of Masontown.

Dr. Hetrick was approaching Fifth street from the High school building and sounded his horn. Hearing no response he kept on out the avenue, but when near Fifth street he saw the big Marmon coming up Fifth at a high rate of speed. Realizing that if he attempted to cross the street ahead of the Marmon might result in a serious accident he turned his car and started up Fifth. Phillipi was coming with such speed that he was unable to slow up quickly enough and ploughed into the left side of the Hetrick car, and damaged it to a considerable extent. Phillipi's car was also damaged. Dr. Hetrick was compelled to take his car to the Spencer shops for repairs.

Chief Albright hearing of the accident, issued a summons for Phillipi to appear before the Burgess next Friday evening to answer to a violation of the automobile laws.

RED CROSS HEADQUARTERS IN BOROUGH BUILDING

Booths will also be established in the various banks, and in the Berryman and Fau Dry Goods Company stores, where people may take out their subscriptions. Memberships can also be taken out at headquarters at the borough building.

POSTOFFICE ROBBERS ARE GIVEN SENTENCE

John Ramsey and Hugh Lane, found guilty in the United States District Court on Thursday last of robbing the postoffice at Fredericktown, this county, last May, were on Saturday sentenced to serve terms of four years each in the Federal penitentiary at Atlanta, Ga., by Judges Charles P. Orr and W. H. S. Thomson.

Their counsel made a plea for leniency, saying that both were aged more than 50. At the time of their arrest both were on parole from the Western Penitentiary. Rasey having served 14 years on a 21-year sentence for robbery in Fayette county, and Lane having been released with two and one-half years of a long sentence unexpired. The authorities say Ramsey was a member of the "Cooley" gang which terrorized citizens of lower Fayette county many years ago, and is said to have served a sentence for participating in the robbery of the German Savings Bank at Cumberland, Md., 15 years ago.

PUNCH BOARDS TO CAUSE SOME ARRESTS

Scores of prominent business men of Fayette county, especially those in Uniontown and Connellsville, who have been most daring in their violations, will be rounded up shortly by county authorities for operating punch boards, unless there is an immediate cessation in this particular offense. Several arrests were reported a day. The company had struck

CITIZENS ASKED TO ENROLL EARLY IN RED CROSS DRIVE

Will Lessen Work Of Solicitors If Citizens Respond Promptly To Appeal

BIG MEMBERSHIP IS NEEDED

The Washington County Chapter of the American Red Cross, which embraces all of the county outside of the strip along the river from Donora to California inclusive, expects to secure a membership of 20,000 in the annual Roll Call now under way. This expectation is based on the demands already made for blanks and badges from the various auxiliaries situated throughout the county, and it is not improbable that the hopes of the officers of that organization will be realized.

Here in Charleroi it is anticipated that the number of those who will take out memberships in the Red Cross will almost equal the largest number secured during the days of the war, when each and all were taking a wonderful interest in this splendid organization.

While we have no war conditions to contend with, we have our own health problems to look after and by no other agency can they be so well cared for as by the Red Cross. We can make the Charleroi Chapter as effective as we wish; we can make it as large as we wish; we can make it a mighty power for good work, but it will require co-operation on the part of the people of the community. All it takes is a heart and a dollar, and if we respond to the appeal now being made we can enlist practically every person within the borough limits.

One-half of the dollar subscribed will remain with the local Chapter for work in this immediate vicinity. The other half goes to the national organization. Of the other memberships, the local society retains eighty per cent. Just now, if the Charleroi Chapter of the Red Cross was in position it could do a wonderful work right here at home. Much is being done, but a whole lot more could be accomplished.

With the aid of memberships the Chapter will be able to take its place as an effective working organization, and in order to reach that position requires the enlistment of all our citizens. The Chairman requests that we do not wait for the solicitors to call, but either go to the general headquarters at 524 McKean avenue, or to the local banks, pay your subscription fee, receive your button and flag, and become a full fledged member. In this way you will relieve the solicitors of a great deal of work and at the same time encourage others to enlist. It is a great work in which all can take part.

SHORAGE OF COAL IN EASTERN CITIES

In spite of the fact that priority orders sent thousands of tons of bituminous coal to the New England States during the past summer, the first real cold snaps found several eastern cities suffering from a lack of fuel. Priority orders to last at least a week have been asked for by authorities in order to relieve the situation.

HIGH SCORE MADE BY THE DEVIL DOGS

The Devil Dogs lived up to their name at the Elks' bowling contest last night, when they took the Hoop Poles over in three straight games. The Dogs appear to be determined to land in first place, and if their work last night is an indication, all other teams will have to go some to beat them. Joe Irose rolled three wonderful games, having a high score in the last of 178 pins. Fred Pieper and Brady also rolled well, while John Monier in his usual role of substitute rolled a fine game. For the losers Capt. Hess and Hall did the best work. Tonight the Champs and Oilers will contest for honors. Game called at 8:30. Score:

ONLY SIX MORE WEEKS UNTIL CHRISTMAS

TOYLAND NOW OPEN

TOYLAND is open earlier this year by many days. But we learned our lesson last year when our Toyland was crowded from morning until night every day it was open.

And this year with the assortment of Childrens Joy gifts larger than ever before we felt duty bound to give the kiddies and parents the advantage of extra shopping days. Come in and visit Toyland and see what Santa has left here.

There's Lions and Tigers elephants and kangaroos, dollies that walk and wear real shoes. Dishes and stoves and frying pans, cabinets that have things in boxes and cans. Wagons and bikes and wind-up trains,strong high flying aeroplanes, games of all kinds. We show boats that go when the West wind blows.

Nothing missing—its all complete, to see it is a wonderful treat, and it's much more fun if you come early, before the crowd gets big and burly.

There's host of toys from foreign lands

That soon will be in other hands And the prettiest are things we can't replace

Before Santa's visit on Christmas takes place.

Did you know that through special arrangement with Santa Claus you could look at our assortment now and order it for Christmas delivery from Santa himself. This is done to save you that last moment rush and worry. He is an obliging old fellow—that jolly Santa Claus.

Has Swinging Wringer and Other Worthwhile Features

If any electric washing machine feature is worthwhile, the Gainaday has it. The efficiency of washing clothes spotlessly clean in the revolving, reversing Gainaday cylinder is undisputed. Too much evidence points that way—almost a hundred Gainaday owners right here in Charleroi and vicinity is your safeguard. Of great importance, too, is the powerful wringer which wrings the clothes from washer to rinse water to blue water and into the basket, all without moving the machine.

MILLIONAIRE OIL MAGNATE OUTWITTED BY LOCAL MAN

J. C. Arnold Obtained for Trifling Sum an Asset for Which Millionaire Had Offered a Million

J. C. Arnold, printer and linotype operator, of Huntington, W Va., has he says, the distinction of putting one over on the country's greatest oil magnate. In an interview Mr. Arnold tells the full details in a most interesting manner.

"About a year and a half ago," says Mr. Arnold. "I began having attacks of stomach trouble, which continued getting worse until my liver and kidneys were so affected that I was forced to quit work I had been working night shift on an Akron paper and shifted to day work, thinking a change of hours would help me, but without avail I was taking medicine continually, and had first one doctor and then another but kept getting worse. Every time a friend suggested a remedy I tried it, until at last someone recommended The Reese Formula R-11. By this time I had given up hopes but began taking the Reese Formula R-11. I had no confidence in it or anything else. Imagine my surprise when after taking the first bottle my condition began to improve. I continued taking it and before finishing the third bottle I was completely restored. I am again working and feel better than I have for many years"

"The Reese Formula R-11" continued Mr. Arnold. "cost me a dollar and a quarter a bottle and considering the fact that a millionaire oil magnate offered a million dollars for a relief from stomach trouble I think I am some financier.

"But then, people don't think they can get relief unless it is expensive All I can say is that it cost only one dollar and twenty-five cents. the price of The Reese Formula R-11. to relieve stomach trouble, for my case has proven it."

The Reese Formula R-11 is sold by all druggists in Charleroi and vicinity and is being demonstrated at Hennings' Drug Store.

Anyone suffering from indigestion, nervousness, rheumatism, backache lumbago, sour stomach, heartburn, urinary, kidney or liver troubles of any kind will do well to stop in at this store today and talk over their case with the Reese Formula Company's representative. It does not cost one penny to do this and you are under no obligation whatever.

No Hurry Just Earful!

Friday

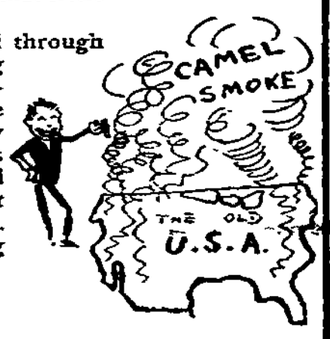
Howdy from New Orleans, PETE!

Say, old clock, you've got the time—maybe you'd like to hear this one! As we were rolling into New Orleans yesterday one of the men in the club car was recounting his cigarette experiences; how he finally pulled a trick on his luck and got set right!

"Well, I've had my cigarette lesson", continued the traveller, "I went up and down the line on cigarettes until I got hold of Camels and got deep into their quality and mildness and delightful flavor! There never was a blend such as Camels combination of choice Turkish and choice Domestic tobaccos! I'll say it—*Camels taught me what a cigarette should be* and they'll teach any man who smokes!" Thinks I to myself — "Sic 'em, judge, every word you spill is a sentence!"

Now, Pete, that's the kind of Camel thanksgiving stuff you get North, East, South, West and through the middle! That's all as true as that little sheep will wag their tails!

I did some tall thinking as I browsed through the quaint old French quarter this evening —how universal the appeal of Camel cigarettes really is! Figure the travelling I've done and the people I've met — each city different from the other — AND Camels have been the ONE cigarette to be found everywhere—*and the cigarette most smoked at each point!* Pete, old backstop, it's wonderful the way smokers are sliding home to Camels!



Dallas, Texas, for me!

Yours
Shorty.
